

# General Evaluation for a Local Church

[www.plsal.org](http://www.plsal.org)

Name \_\_\_\_\_

My Quiet Time with God...

- is irregular
- is regular, but not daily
- is daily
- is dynamic and personal
- is a little boring
- is OK, but not great
- I honestly do not know how to do it

Describe your personal plan

My plan for reading the Bible...

- is irregular
- is systematic and regular
- I read all the Bible at least once a year

Describe your personal plan

My lifestyle for sharing the Gospel...

- I do it every once in awhile
- I do it daily
- I do it at least once a week
- I do it about once a month
- I only do it when there is a special evangelistic event
- I actually do not share the Gospel with others

Describe your personal plan

My participation in church activities...

- not very regular - I do it when I can.
- regular - I understand the importance of being part of my church
- I cannot stand (name) \_\_\_\_\_ so I do not get very involved
- I do not need to participate in church because I already know more than everybody else

The Lordship of Christ in my life...

- It is hard for me to obey God.
- I usually have victory over temptation.
- I have made a commitment to obey God no matter what.

My personal character...

- I get angry easily
- I am patient
- I submit to the decisions of the church leadership
- I do not compete with others in the church
- I often feel depressed
- I am not very confident in myself
- I enjoy serving others
- I normally put the needs of others ahead of my own needs
- I eat too much and am overweight
- I am content with life
- Others see me as proud
- I need help! Please talk with me.
- I understand that God is in control and I can trust in Him - that is why I can stay calm and not get anxious

¿Who have you won to Christ?

¿Who are you discipling now?

What are some topics or books of the Bible that you would like to study?

What are some doubts that you have?

Is there something that the church is not doing that we need to do?

Is there something that the church needs to do better?
